ANKER PRODUCTS GUIDE

Robot Vacuum Omni

E28

The World's First HydroJet™
Robot Vacuum with
Portable Deep Cleaner

€999.99 RRP

PN: T2352V11

NEW
PRODUCT

HydroJet™ System

The HydroJet™ System continuously cleans the rolling mop in real time and applies 1.5 kg of downward pressure to mimic hand scrubbing, effectively removing stubborn stains.

Portable Deep Cleaner

The detachable water tank doubles as a portable deep cleaner, allowing you to tackle tough stains on carpets, sofas, and other fabric surfaces with ease.

20,000 Pa Turbo Suction

With a powerful 20,000 Pa suction, the robot effectively lifts deep-seated dust and pet hair from floors, carpets, and rugs.

DuoSpiral™ Brushes

The DuoSpiral™ Brushes prevent hair entanglement, reducing maintenance frequency and ensuring a hassle-free cleaning experience.

CornerRover™ Arm

The auto-extending CornerRover™ Arm reaches into tight corners and edges, ensuring no spot is left uncleaned.

All-in-One Omni Station

Enjoy a fully automated cleaning experience with an all-in-one station that features self-emptying, self-washing, hot air drying, automatic detergent addition, wastewater collection, and self-refilling.

NEBULA

Nebula Cosmos Laser 4K

Illuminate Your World with Laser Power

RRP €1,399.99 PN: D2342211

4K, 2,200 ANSI-Lumen Projector with Google TV

Wi-Fi, Dolby Digital, 2x10W 150" with 2.5-Hour Playtime

Astronomical Content Options

Just a tap of a finger gives you access to every app on Android TV

Ultra-Long Playback

Fully charge to enjoy watching up to 2.5 hours of movies and series, or listen to up to 8 hours of music.

Extend the battery life while powered by an Anker powerstation

HDR10 heightens the contrast of the image so every detail feels dynamic with bright whites & darker blacks.

Supersize Your Theater to 150"

Experience larger-than-life cinema with a whopping 150" screen that makes your guests go, "Wow!"

Multiple Device Connections

Use your device, or drive to link with the Cosmos Laser series, so you can stream the content you want.

Sound You Feel

Enrich your ears with the sweet sound of dual 5W tweeters while the dual 10W speakers immerse you in the action.

Immerse Yourself in Laser Brightness

With the laser-powered brightness of 2200 ANSI Lumens, watch your movies shine in every scene.
